

IT-Symposium 2024

Hotel Steigenberger am Kanzleramt
Berlin, Germany

**Conference & Exhibition
8 - 10 April 2024**

The eGTUG European NonStop HotSpot 2024!

Dr. Werner Alexi
Chairman of GTUG Germany

Dear HPE NonStop Community,

the German User Group for NonStop technology (GTUG) together with the Connect Germany organization invite and welcome you to the 2024 international NonStop HotSpot in the always inspiring city of Berlin.

Within the last years HPE has brought enormous changes to NonStop technology by making it available on industry standard hardware and even in virtualized environments. These changes ensure that NonStop will have a great future. However the changes also require organizations to adapt to the new possibilities and plan for new use cases resulting in many questions regarding technology and business.

The conference is the place to get the answers by experts from HPE, partners, consultants and colleagues. Within 2024 there is no other place in Europe where you can find this amount of NonStop knowledge, expertise and creativity in a single location! In addition, you will meet many old friends and make new ones in a pleasant atmosphere. Of course, we promise some fun as well!

We are looking forward to seeing you in Berlin!

Kind regards,

Werner Alexi

Detlef Buerdorf
President of Connect Germany

Dear Members, Friends and HPE Technology Users,

with great pleasure, we invite you to join the premier international HPE User Community event for 2024.

Enjoy HPE technologies related content.

Leverage educational and networking opportunities amongst attendees.

Join in the conversation with HPE engineering, management and the highly regarded HPE partner community.

Feel at home in the vibrant city of Berlin and the comfort of the Hotel Steigenberger am Kanzleramt.

Thanks to strong support of Hewlett Packard Enterprise and the Connect Worldwide and HPE partner communities, we are able to put together a truly international agenda for you. It will feature content from HPE and others, as well as user and vendor presentations to name but a few.

We are looking forward to welcoming you in Berlin!

Kind regards,

Detlef Buerdorf

IT-Symposium 2024

Back in Berlin 2024!

Join the European HPE User community meeting taking place again in Berlin!

Get firsthand information about the latest strategic and technical developments on HPE NonStop from HPE, partners and users. Discuss your business requirements with HPE executives onsite and meet with the vendors and your fellow NonStop users.

At a "one-stop" event, this major European NonStop Conference & Exhibition in 2024 will provide you with up-to-date information, an exchange of experiences, an invaluable platform for networking and education on an international level.

Furthermore, the conference offers the opportunity to get some new information on other HPE platforms, too.

Enjoy your stay at the Hotel Steigenberger am Kanzleramt Berlin with its comfortable facilities. The conference venue is located in the heart of the city right next to the river Spree and the main train station offering direct connection to the new international airport (BER). Within walking distance are Berlin's renowned museums and historical monuments, as well as the government district.

The "eGTUG European NonStop HotSpot/IT-Symposium 2024 - Conference & Exhibition" is once more hosted by the HPE user groups GTUG and Connect Germany.

Welcome to Berlin and feel the atmosphere of this ever-inspiring city!
